

Wish you were real...

This summer,  
don't make fake goods  
your excess baggage

# Fakes Fund Crime

Dear holidaymaker

Counterfeiting is not a victimless crime. It is controlled by organised crime networks, which use the vast profits of this illegal enterprise to fund other forms of serious organised crime, including drug trafficking, human trafficking, firearms and money laundering.

Do you want to put your hard-earned holiday cash into their hands?

This summer, don't make fake goods your excess baggage.

Enjoy your holiday!  
Gordon

Gordon Meldrum

Deputy Chief Constable,  
Director General, SCDEA
